

The **Darchei Noam Adult Education Committee** is pleased to announce the kickoff of their new adult education series,

***Reading Between the Lines,
The Psychology of Biblical Personalities***

The community is invited to join us for the first lively talk and discussion regarding relationships, commitment, and betrayals as we learn about ***Skeletons in David's Closet.***

Hamline University **Professor Earl Schwartz** will lead us in this illuminating story of David and his choice to pay back an outstanding claim against the Israelites.

This is a profoundly intriguing story because it involves the public murders of seven members of the House of Saul as a result of David's decision.
